Member Spotlight

Curtis and Lori Tafoya

Curtis Tafoya is a longtime member of P&S Credit Union! In fact, Curtis is the Credit Union's UPS delivery person and has been serving the Credit Union's delivery route for close to 29 years. Delivering to the Credit Union over the years has enabled him the opportunity to meet the friendly staff and get to know them – especially Donna Anderson. He decided to seek out its services and since then, he and his wife, Lori, who joined shortly after, have obtained many loans and taken advantage of many services.

When asked what attracted him to P&S Credit Union, Curtis replied, "Everyone is so friendly, and it's so easy to do business. I love how reliable and close it is and how I can stop in to handle transactions in my daily routine. Donna has been there forever, and she's always been so fun and easy to work with. She was recently able to help our son purchase his very first truck and the two of us refinance our mortgage the way we wanted to when Wells Fargo wasn't able to do what we needed. We feel like the fact that we feel like actual people with the Credit Union and not just another account number. We can't recommend the P&S Credit Union enough!"

The Tafoya's have indeed recommended the Credit Union. They've enrolled in membership their two adult children and opened accounts for their two granddaughters as well.

In their spare time, and when the Curtis isn't working, the Tafoya's enjoy traveling. Most recently, they spent time in San Diego, California, with their entire immediate family and had a great time. Even though activities were limited due to COVID-19, they enjoyed the special time with their two granddaughters, the sandy beaches, playing in the great outdoors and most of all just being together. It was so fun; they didn't want to leave!

We'd like to say thank you to Curtis and Lori. We certainly appreciate their support and are thrilled to have their membership with P&S Credit Union.
